“When you’re down and troubled and you
need a helping hand
And nothing, nothing is going right
Close your eyes and think of me and soon I
will be there
To brighten up even your darkest nights
You just call out my name and you know
wherever I am
I’ll come running to see you again
Winter, spring, summer or fall, all you have
to do is call
And I’ll be there you’ve got a friend
If the sky above you should grow dark and
full of clouds
And that old North Wind should begin to
blow
Keep your head together and call my name
out loud
Soon I’ll be knocking upon your door
Ain’t it good to know that you’ve got a
friend
When people can be so cold
They’ll take your soul if you let them
But don’t you let them”

— James Taylor
“You’ve Got A Friend”

CLASS

OF 1990

Throughout our four years here at Medfield High, one teacher has exemplified the best of what this school has to offer. Daily this man's cheerful demeanor, dedication, and knowledge has encouraged his students to strive for their personal best. Under his fine tutelage, we have been allowed to grow and find ourselves so that we will march off into this world anticipating its challenges. It is for these reasons that this one man will forever hold a special place in our hearts and it is for these reasons that, we, the Class of 1990, dedicate The Peak to you,
